EXPERIENCE

Role : Jr. Software Engineer Intern

Organisation : Cravita Technologies Pvt.Ltd ,Pune

Duration : Dec 2022 – May 2023

Project Done : Online Tweetup

- The proposed project is an '**Online tweetup**' that provides patients or any user an easy way of booking a **doctor's appointment online**.
- This is a web based application that overcomes the issue of managing and booking appointments according to user's choice or demands.
- Hence this project offers an effective solution where users can view various booking slots available and select the preferred date and time.
- The already booked space will be marked yellow and will not be available for anyone else for the specified time.
- This system also allows users to cancel their booking anytime.
