‖ Certifications   ‖‖‖‖‖‖‖‖

Splunk 2023- Beginner to Architect

Microsoft Certified Azure Fundamentals

‖ Organizational Experience   ‖‖‖‖‖‖‖‖

Since August'2021 – Present with Tech Mahindra, Pune as Software Engineer.

‖ Organizational Projects   ‖‖‖‖‖‖‖‖

- **Title:** Digi_Malaysia_Cyber_Security
- **Client:** Digi Malaysia
- **Duration:** August 2021 to date.
- **Team size:** 7
- **Role:** Security Analyst

- **Project Description:**
  - ➢ The 'Digi_Malaysia_Cyber_Security' aims to provide Security to the company. It helps to protect organizations and individuals from cyber-attacks. We can help to prevent data breaches, identity theft, and other types of cybercrime. In this project, I worked on Spamming and Phishing emails, Threat detection, prevention, and response. Worked on different tools like Splunk and Crowdstrike.
  - ➢ Splunk -Helps to monitor, Analyze, and Visualization of data.
  - ➢ Crowdstrike –Crowdstrike is an agent-based sensor that can be installed on Windows, Mac, or Linux operating systems for desktop or server platforms. These platforms rely on a cloud-hosted Saas solution, to manage policies, control reporting data, and manage and respond to the threat.
- **Tools:** Splunk, Crowdstrke, NIPS.

- **Roles & Responsibilities:**
  - ➢ Monitoring security access and maintaining the relevant data.
  - ➢ Analyzing security breaches to identify the root cause.
  - ➢ Verifying and coordinating security plans with outside vendors.
  - ➢ Writing reports and providing insights on the efficacy of the current security policies, incident responses, disaster recovery plans, and other security-related information.
  - ➢ Keeping the security systems up to date.
  - ➢ Leading efforts to counter security breaches and anticipating and reducing the likelihood of future security alerts, incidents, and disasters.
  - ➢ Defining, planning, implementing, maintaining, and upgrading security measures, policies, and controls

‖ Education ‖‖‖‖‖‖‖

- ● B.E. (Electronics) from Bidve College Of Engineering, Latur, SRTMUN University**.**

- ● Diploma (Electronics) from Government Polytechnic, Latur.

- ● 10th from Shri Anantpal Nutan Vidyalaya, Shirur Anantpal, Latur (Maharashtra State Board).
